It won't just be speeches!

What We Have—What We Do

The MHS has established a **Library & Archives** to collect, preserve, explore and provide access to the history of all Mennonites in Alberta.

We have 800 books, a large collection of Mennonite periodicals, and a growing vault of archival documents.

In our archives, find meeting minutes, constitutions, sermon notes, drafts of books, letters, church bulletins & registers, and more.

We can provide a centre for preservation of your documents and a place for you to do your research.

Become a Member - get a vote, and a copy of our meaty Newsletter twice a year!

We Need Your Donations of:

Mennonite Archival Records
